DOCUMENT 1-789/80

MOTION FOR A RESOLUTION

tabled by Mrs Scrivener

on behalf of the Liberal and Democratic Group
pursuant to Rule 25 of the Rules of Procedure

on an interinstitutional dialogue on a common
interpretation of the budget provisions
of the Treaties

PE 70.804

The European Parliament,

- having regard to the constantly differences of opinion between the Council and the Assembly on the interpretation of the budget provisions of the Treaties,
 - whereas this situation leads to crises between the institutions,
 - deploring the inadequacy of the conciliation procedure employed during the procedure for adopting the budget, which affords no solution to these serious problems,
1. Calls for the opening without delay of a genuine interinstitutional dialogue with a view to arriving at a common interpretation of the budget provisions that complies with the treaties;
 2. Considers that such a dialogue, if it is to succeed, must take place outside the periods in which the budget is under consideration;
 3. Instructs its committee responsible to take the necessary steps to this end without delay;
 4. Instructs its President to forward this resolution to the Council and Commission of the European Community.
